Introduction

The First edition of the African Takaful and Non-Interest Finance (ATNIF) Conference aims to bring together stakeholders from various industries, sectors, and regions across Africa to discuss and deliberate on Leveraging Technology to Build on the Opportunities of Takaful and Islamic Finance in Africa.

The Purpose

The purpose of this conference is to drive inclusive and sustainable Takaful and Islamic finance system that would empower Africa's economies and foster social prosperity. The conference will serve as a platform to facilitate knowledge sharing, collaboration, and innovation among industry experts, policymakers, scholars, and practitioners with the aim to promote the growth, development, and understanding of Takaful and Islamic finance, while exploring their potential to contribute to economic prosperity, financial inclusion, and ethical investment practices in Africa.
